

**D**r. Shroff's journey is marked by a relentless pursuit of making quality education accessible to every stratum of society. Her vision extends beyond conventional boundaries, aiming not just for academic excellence but also for socio-economic inclusivity. As a true pioneer, she envisions a society which is self-sustaining through quality education and is a catalyst for individual growth and national prosperity.

As the founder of the Kalorex Group, Dr. Shroff has displayed edupreneurial acumen that goes beyond mere business strategies. Her institutions stand as beacons of holistic learning, emphasizing not only academic rigor but also the development of critical life skills. Through her visionary leadership, she has created an ecosystem that fosters innovation, creativity, and a global perspective among students. The Group has 55 plus institutions running under its banner, having touched the lives of 65,000 students and empowered over 4000 employees over the years, who act as its ambassadors wherever they are placed in the world.

The Kalorex Group was founded 1995 and in 1996, the Delhi Public School was established under the aegis of the Kalorex Foundation in Ahmedabad. Today over a span of 28 years, the Kalorex Group runs two CBSE-affiliated DPS schools in Ahmedabad and Mehsana, and one State Board DPS East Ahmedabad, an IB-affiliated Calorx Olive International School in Ahmedabad and three CBSE-affiliated Kalorex Future Schools in Ahmedabad, Mundra and Bharuch in Gujarat. The Saurabh English School – (9-12), offers the state board curriculum under the Kalorex management

One of Dr. Shroff's notable contributions is her relentless pursuit of reaching every student, irrespective of their economic background. She has been instrumental in designing and implementing initiatives that bridge the gap between the privileged and the underserved, making

## Empowering Education, Enriching Minds

**A successful edupreneur and a compassionate humanist, Dr. Manjula Pooja Shroff has played a stellar role in democratizing education**

education an equalizer rather than a privilege. Her commitment to inclusivity is reflected in mentorship programs, and outreach efforts that have touched the lives of countless aspiring learners. Her special initiatives like Visamo Kids Foundation, for the underprivileged children, and Prerna for the students with Special Needs, reflect a deep-seated belief in the potential of each student, regardless of their socio-economic background. By nurturing a generation of learners equipped with knowledge, skills, and empathy, she is contributing to the foundation of a more equitable society.

In the journey of India towards a 5 trillion-dollar economy, Dr. Shroff's role is pivotal. In the education

industry of Gujarat, she has emerged as a thought leader who has proven her mettle and offered many insights and pivotal inputs to policy making for educational reforms. Her intellectual inputs have been taken into consideration in State and Central NEP 2020 implementation as well. Her commitment to education as a catalyst for economic growth aligns seamlessly with the national vision. As an edupreneur, educationist, and exemplary leader, she stands as a testament to the transformative power of education, not just in shaping careers but in building a company where every individual has the opportunity to thrive. Dr. Manjula Pooja Shroff is not merely shaping minds; she is sculpting a future where the dividends of education enrich the entire fabric of society.
